(730 ILCS 5/5-6-1) (from Ch. 38, par. 1005-6-1)

Sec. 5-6-1. Sentences of Probation and of Conditional Discharge and Disposition of Supervision. The General Assembly finds that in order to protect the public, the criminal justice system must compel compliance with the conditions of probation by responding to violations with swift, certain and fair punishments and intermediate sanctions. The Chief Judge of each circuit shall adopt a system of structured, intermediate sanctions for violations of the terms and conditions of a sentence of probation, conditional discharge or disposition of supervision.

(a) Except where specifically prohibited by other provisions of this Code, the court shall impose a sentence of probation or conditional discharge upon an offender unless, having regard to the nature and circumstance of the offense, and to the history, character and condition of the offender, the court is of the opinion that:

- (1) his imprisonment or periodic imprisonment is necessary for the protection of the public; or
- (2) probation or conditional discharge would deprecate the seriousness of the offender's conduct and would be inconsistent with the ends of justice; or
- (3) a combination of imprisonment with concurrent or consecutive probation when an offender has been admitted into a drug court program under Section 20 of the Drug Court Treatment Act is necessary for the protection of the public and for the rehabilitation of the offender.

The court shall impose as a condition of a sentence of probation, conditional discharge, or supervision, that the probation agency may invoke any sanction from the list of intermediate sanctions adopted by the chief judge of the circuit court for violations of the terms and conditions of the sentence of probation, conditional discharge, or supervision, subject to the provisions of Section 5-6-4 of this Act.

(b) The court may impose a sentence of conditional discharge for an offense if the court is of the opinion that neither a sentence of imprisonment nor of periodic imprisonment nor of probation supervision is appropriate.

(b-1) Subsections (a) and (b) of this Section do not apply to a defendant charged with a misdemeanor or felony under the Illinois Vehicle Code or reckless homicide under Section 9-3 of the Criminal Code of 1961 if the defendant within the past 12 months has been convicted of or pleaded guilty to a misdemeanor or felony under the Illinois Vehicle Code or reckless homicide under Section 9-3 of the Criminal Code of 1961.

(c) The court may, upon a plea of guilty or a stipulation by the defendant of the facts supporting the charge or a finding of guilt, defer further proceedings and the imposition of a sentence, and enter an order for supervision of the defendant, if the defendant is not charged with: (i) a Class A misdemeanor, as defined by the following provisions of the Criminal Code of 1961: Sections 12-3.2; 12-15; 26-5; 31-1; 31-6; 31-7; subsections (b) and (c) of Section 21-1; paragraph (1) through (5), (8), (10), and (11) of subsection (a) of Section 24-1; (ii) a Class A misdemeanor violation of Section 3.01, 3.03-1, or 4.01 of the Humane Care for Animals Act; or (iii) felony. If the defendant is not barred from receiving an order for supervision as provided in this subsection, the court may enter an order for supervision after considering the circumstances of the offense, and the history, character and condition of the offender, if the court is of the opinion that:

- (1) the offender is not likely to commit further crimes;
- (2) the defendant and the public would be best served if the defendant were not to receive a criminal record; and
- (3) in the best interests of justice an order of supervision is more appropriate than a sentence otherwise permitted under this Code.

(d) The provisions of paragraph (c) shall not apply to a defendant charged with violating Section 11-501 of the Illinois Vehicle Code or a similar provision of a local ordinance when the defendant has previously been:

- (1) convicted for a violation of Section 11-501 of the Illinois Vehicle Code or a similar provision of a local ordinance or any similar law or ordinance of another state; or
- (2) assigned supervision for a violation of Section 11-501 of the Illinois Vehicle Code or a similar provision of a local ordinance or any similar law or ordinance of another state; or
- (3) pleaded guilty to or stipulated to the facts supporting a charge or a finding of guilty to a violation of Section 11-503 of the Illinois Vehicle Code or a similar provision of a local ordinance or any similar law or ordinance of another state, and the plea or stipulation was the result of a plea agreement.

The court shall consider the statement of the prosecuting authority with regard to the standards set forth

in this Section.

(e) The provisions of paragraph (c) shall not apply to a defendant charged with violating Section 16A-3 of the Criminal Code of 1961 if said defendant has within the last 5 years been:

- (1) convicted for a violation of Section 16A-3 of the Criminal Code of 1961; or
- (2) assigned supervision for a violation of Section 16A-3 of the Criminal Code of 1961.

The court shall consider the statement of the prosecuting authority with regard to the standards set forth in this Section.

AMENDMENT NO. 1. Amend House Bill 316 on page 1, by replacing line 5 with "changing Sections 205.1 and 500-77 as follows:"; and on page 1, immediately below line 5, by inserting the following:

"(215 ILCS 5/205.1)

Sec. 205.1. Policyholder collateral, deductible reimbursements, and other policyholder obligations.

(a) Any collateral held by, for the benefit of, or assigned to the insurer or the Director as rehabilitator or liquidator to secure the obligations of a policyholder under a deductible agreement shall not be considered an asset of the estate and shall be maintained and administered by the Director as rehabilitator or liquidator as provided in this Section and notwithstanding any other provision of law or contract to the contrary.

(b) If the collateral is being held by, for the benefit of, or assigned to the insurer or subsequently the Director as rehabilitator or liquidator to secure obligations under a deductible agreement with a policyholder, subject to the provisions of this Section, the collateral shall be used to secure the policyholder's obligation to fund or reimburse claims payment within the agreed deductible amount.

(c) If a claim that is subject to a deductible agreement and secured by collateral is not covered by any guaranty association or the Illinois Insurance Guaranty Fund and the policyholder is unwilling or unable to take over the handling and payment of the non-covered claims, the Director as rehabilitator or liquidator shall adjust and pay the non-covered claims utilizing the collateral but only to the extent the available collateral after allocation under subsection (d), is sufficient to pay all outstanding and anticipated claims. If the collateral is exhausted and the insured is not able to provide funds to pay the remaining claims within the deductible after all reasonable means of collection against the insured have been exhausted, the Director's obligation to pay such claims from the collateral as the rehabilitator or liquidator terminates, and the remaining claims shall be claims against the insurer's estate subject to complying with other provisions in this Article for the filing and allowance of such claims. When the liquidator determines that the collateral is insufficient to pay all additional and anticipated claims, the liquidator may file a plan for equitably allocating the collateral among claimants, subject to court approval.

(d) To the extent that the Director as rehabilitator or liquidator is holding collateral provided by a policyholder that was obtained to secure a deductible agreement and to secure other obligations of the policyholder to pay the insurer, directly or indirectly, amounts that become assets of the estate, such as reinsurance obligations under a captive reinsurance program or adjustable premium obligations under a retrospectively rated insurance policy where the premium due is subject to adjustment based upon actual loss experience, the Director as rehabilitator or liquidator shall equitably allocate the collateral among such obligations and administer the collateral allocated to the deductible agreement pursuant to this Section. With respect to the collateral allocated to obligations under the deductible agreement, if the collateral secured reimbursement obligations under more than one line of insurance, then the collateral shall be equitably allocated among the various lines based upon the estimated ultimate exposure within the deductible amount for each line. The Director as rehabilitator or liquidator shall inform the guaranty association or the Illinois Insurance Guaranty Fund that is or may be obligated for claims against the insurer of the method and details of all the foregoing allocations.

(e) Regardless of whether there is collateral, if the insurer has contractually agreed to allow the policyholder to fund its own claims within the deductible amount pursuant to a deductible agreement, either through the policyholder's own administration of its claims or through the policyholder providing funds directly to a third party administrator who administers the claims, the Director as rehabilitator or liquidator shall allow such funding arrangement to continue and, where applicable, will enforce such arrangements to the fullest extent possible. The funding of such claims by the policyholder within the deductible amount will act as a bar to any claim for such amount in the liquidation proceeding, including but not limited to any such claim by the policyholder or the third party claimant. The funding will extinguish both the obligation, if any, of any guaranty association or the Illinois Insurance Guaranty Fund to pay such claims within the deductible amount, as well as the obligations, if any, of the policyholder or third party administrator to reimburse the guaranty association or the Illinois Insurance Guaranty Fund. No charge of any kind shall be

made by the Director as rehabilitator or liquidator against any guaranty association or the Illinois Insurance Guaranty Fund on the basis of the policyholder funding of claims payment made pursuant to the mechanism set forth in this subsection.

(f) If the insurer has not contractually agreed to allow the policyholder to fund its own claims within the deductible amount, to the extent a guaranty association or the Illinois Insurance Guaranty Fund is required by applicable state law to pay any claims for which the insurer would be or would have been entitled to reimbursement from the policyholder under the terms of the deductible agreement and to the extent the claims have not been paid by a policyholder or third party, the Director as rehabilitator or liquidator shall promptly bill the policyholder for such reimbursement and the policyholder will be obligated to pay such amount to the Director as rehabilitator or liquidator for the benefit of the guaranty association or the Illinois Insurance Guaranty Fund that paid such claims. Neither the insolvency of the insurer, nor its inability to perform any of its obligations under the deductible agreement, shall be a defense to the policyholder's reimbursement obligation under the deductible agreement. When the policyholder reimbursements are collected, the Director as rehabilitator or liquidator shall promptly reimburse the guaranty association or the Illinois Insurance Guaranty Fund for claims paid that were subject to the deductible. If the policyholder fails to pay the amounts due within 60 days after such bill for such reimbursements is due, the Director as rehabilitator or liquidator shall use the collateral to the extent necessary to reimburse the guaranty association or the Illinois Insurance Guaranty Fund, and, at the same time, may pursue other collections efforts against the policyholder. If more than one guaranty association or the Illinois Insurance Guaranty Fund has a claim against the same collateral and the available collateral (after allocation under subsection (d)), along with billing and collection efforts, are together insufficient to pay each guaranty association or the Illinois Insurance Guaranty Fund in full, then the Director as rehabilitator or liquidator will pro-rate payments to each guaranty association or the Illinois Insurance Guaranty Fund based upon the relationship the amount of claims each guaranty association or the Illinois Insurance Guaranty Fund has paid bears to the total of all claims paid by such guaranty association or the Illinois Insurance Guaranty Fund.

(g) Director's duties and powers as rehabilitator or liquidator.

(1) The Director as rehabilitator or liquidator is entitled to deduct from reimbursements owed to guaranty associations or the Illinois Insurance Guaranty Fund or collateral to be returned to a policyholder reasonable actual expenses incurred in fulfilling the responsibilities under this provision, not to exceed 3% of the collateral or the total deductible reimbursements actually collected by the Director as rehabilitator or liquidator.

(2) With respect to claim payments made by any guaranty association or the Illinois Insurance Guaranty Fund, the Director as rehabilitator or liquidator shall promptly provide the court, with a copy ~~to~~ of the guaranty associations or the Illinois Insurance Guaranty Fund, with a complete report of the Director's deductible billing and collection activities as rehabilitator or liquidator including copies of the policyholder billings when rendered, the reimbursements collected, the available amounts and use of collateral for each policyholder, and any pro-ration of payments when it occurs. If the Director as rehabilitator or liquidator fails to make a good faith effort within 120 days of receipt of claims payment reports to collect reimbursements due from a policyholder under a deductible agreement based on claim payments made by one or more guaranty associations or the Illinois Insurance Guaranty Fund, then after such 120 day period such guaranty associations or the Illinois Insurance Guaranty Fund may pursue collection from the policyholders directly on the same basis as the Director as rehabilitator or liquidator, and with the same rights and remedies, and will report any amounts so collected from each policyholder to the Director as rehabilitator ~~or~~ ; liquidator, ~~or conservator~~. To the extent that guaranty associations or the Illinois Insurance Guaranty Fund pay claims within the deductible amount, but are not reimbursed by either the Director as rehabilitator, liquidator, or conservator under this Section or by policyholder payments from the guaranty associations' or the Illinois Insurance Guaranty Fund's own collection efforts, the guaranty association or the Illinois Insurance Guaranty Fund shall have a claim in the insolvent insurer's estate for such un-reimbursed claims payments.

(3) The Director as rehabilitator or liquidator shall periodically adjust the collateral being held as the claims subject to the deductible agreement are run-off, provided that adequate collateral is maintained to secure the entire estimated ultimate obligation of the policyholder plus a reasonable safety factor, and the Director as rehabilitator or liquidator shall not be required to adjust the collateral more than once a year. The guaranty associations or the Illinois Insurance Guaranty Fund shall be informed of all such collateral reviews, including but not limited to the basis for the adjustment. Once all claims covered by the collateral have been paid and the Director as rehabilitator or liquidator is satisfied that no new claims can be presented, the Director as rehabilitator or liquidator will release any remaining

collateral to the policyholder.

(h) The Illinois Circuit Court having jurisdiction over the liquidation proceedings shall have jurisdiction to resolve disputes arising under this provision.

(i) Nothing in this Section is intended to limit or adversely affect any right the guaranty associations or the Illinois Insurance Guaranty Fund may have under applicable state law to obtain reimbursement from certain classes of policyholders for claims payments made by such guaranty associations or the Illinois Insurance Guaranty Fund under policies of the insolvent insurer, or for related expenses the guaranty associations or the Illinois Insurance Guaranty Fund incur.

(j) This Section applies to all receivership proceedings under Article XIII that either (1) commence on or after the effective date of this amendatory Act of the 93rd General Assembly or (2) are on file or open on the effective date of this amendatory Act of the 93rd General Assembly and in which an Order of Liquidation is entered on or after May 1, 2004. However, this Section applies to rehabilitation proceedings only to the extent that guaranty associations are required to pay claims and does not apply to receivership proceedings in which only an order of conservation has been entered.

(k) For purposes of this Section, a "deductible agreement" is any combination of one or more policies, endorsements, contracts, or security agreements, which provide for the policyholder to bear the risk of loss within a specified amount per claim or occurrence covered under a policy of insurance, and may be subject to the aggregate limit of policyholder reimbursement obligations. This Section shall not apply to first party claims, or to claims funded by a guaranty association or the Illinois Insurance Guaranty Fund in excess of the deductible unless subsection (e) above applies. The term "non-covered claim" shall mean a claim that is subject to a deductible agreement and is not covered by a guaranty association or the Illinois Insurance Guaranty Fund.

Ms. Hawker, Secretary:

Mr. Speaker -- I am directed to inform the House of Representatives that the Senate has concurred with the House of Representatives in the passage of a bill of the following title to-wit:

HOUSE BILL 551

A bill for AN ACT concerning taxes.

Together with the attached amendment thereto (which amendment has been printed by the Senate), in the adoption of which I am instructed to ask the concurrence of the House, to-wit:

Senate Amendment No. 1 to HOUSE BILL NO. 551

Passed the Senate, as amended, May 17, 2005.

Linda Hawker, Secretary of the Senate

AMENDMENT NO. 1. Amend House Bill 551 by replacing everything after the enacting clause with the following:

"Section 5. The Property Tax Code is amended by changing Sections 21-15, 21-20, 21-25, 21-30, and 21-310 as follows:

(35 ILCS 200/21-15)

Sec. 21-15. General tax due dates; default by mortgage lender. Except as otherwise provided in this Section or Section 21-40, all property upon which the first installment of taxes remains unpaid on June 1 annually shall be deemed delinquent and shall bear interest after June 1 at the rate of 1 1/2% per month or portion thereof. Except as otherwise provided in this Section or Section 21-40, all property upon which the second installment of taxes remains due and unpaid on September 1, annually, shall be deemed delinquent and shall bear interest after September 1 at the same interest rate. All interest collected shall be paid into the general fund of the county. Payment received by mail and postmarked on or before the required due date is not delinquent.

Property not subject to the interest charge in Section 9-260 or Section 9-265 shall also not be subject to the interest charge imposed by this Section until such time as the owner of the property receives actual

notice of and is billed for the principal amount of back taxes due and owing.

If an Illinois resident who is a member of the Illinois National Guard or a reserve component of the armed forces of the United States and who has an ownership interest in property taxed under this Act is called to active duty for deployment outside the continental United States and is on active duty on the due date of any installment of taxes due under this Act, he or she shall not be deemed delinquent in the payment of the installment and no interest shall accrue or be charged as a penalty on the installment until 180 30 days after that member returns from active duty. To be deemed not delinquent in the payment of an installment of taxes and any interest on that installment, the reservist or guardsperson must make a reasonable effort to notify the county clerk and the county collector of his or her activation to active duty and must notify the county clerk and the county collector within 180 days after his or her deactivation and provide verification of the date of his or her deactivation. An installment of property taxes on the property of any reservist or guardsperson who fails to provide timely notice and verification of deactivation to the county clerk is subject to interest and penalties as delinquent taxes under this Code from the date of deactivation.

Notwithstanding any other provision of law, when any unpaid taxes become delinquent under this Section through the fault of the mortgage lender, (i) the interest assessed under this Section for delinquent taxes shall be charged against the mortgage lender and not the mortgagor and (ii) the mortgage lender shall pay the taxes, redeem the property and take all necessary steps to remove any liens accruing against the property because of the delinquency. In the event that more than one entity meets the definition of mortgage lender with respect to any mortgage, the interest shall be assessed against the mortgage lender responsible for servicing the mortgage. Unpaid taxes shall be deemed delinquent through the fault of the mortgage lender only if: (a) the mortgage lender has received all payments due the mortgage lender for the property being taxed under the written terms of the mortgage or promissory note secured by the mortgage, (b) the mortgage lender holds funds in escrow to pay the taxes, and (c) the funds are sufficient to pay the taxes after deducting all amounts reasonably anticipated to become due for all hazard insurance premiums and mortgage insurance premiums and any other assessments to be paid from the escrow under the terms of the mortgage. For purposes of this Section, an amount is reasonably anticipated to become due if it is payable within 12 months from the time of determining the sufficiency of funds held in escrow. Unpaid taxes shall not be deemed delinquent through the fault of the mortgage lender if the mortgage lender was directed in writing by the mortgagor not to pay the property taxes, or if the failure to pay the taxes when due resulted from inadequate or inaccurate parcel information provided by the mortgagor, a title or abstract company, or by the agency or unit of government assessing the tax.

Except as otherwise provided in Section 21-40, in counties with less than 3,000,000 inhabitants in which the accelerated method of billing and paying taxes provided for in Section 21-30 is in effect, the estimated first installment of unpaid taxes shall be deemed delinquent and shall bear interest after a date not later than June 1 annually as provided for in the ordinance or resolution of the county board adopting the accelerated method, at the rate of 1 1/2% per month or portion thereof until paid or forfeited. The second installment of unpaid taxes shall be deemed delinquent and shall bear interest after August 1 annually at the same interest rate until paid or forfeited. Payment received by mail and postmarked on or before the required due date is not delinquent.

If an Illinois resident who is a member of the Illinois National Guard or a reserve component of the armed forces of the United States and who has an ownership interest in property taxed under this Act is called to active duty for deployment outside the continental United States and is on active duty on the due date of any installment of taxes due under this Act, he or she shall not be deemed delinquent in the payment of the installment and no interest shall accrue or be charged as a penalty on the installment until 180 30 days after that member returns from active duty. To be deemed not delinquent in the payment of an installment of taxes and any interest on that installment, the reservist or guardsperson must make a reasonable effort to notify the county clerk and the county collector of his or her activation to active duty and must notify the county clerk and the county collector within 180 days after his or her deactivation and provide verification of the date of his or her deactivation. The second installment of unpaid taxes shall be deemed delinquent and shall bear interest after August 1 annually at the same interest rate until paid or forfeited.

Sec. 21-30. Accelerated billing. Except as provided in this Section, Section 9-260, and Section 21-40, in counties with 3,000,000 or more inhabitants, by January 31 annually, estimated tax bills setting out the first installment of property taxes for the preceding year, payable in that year, shall be prepared and mailed. The first installment of taxes on the estimated tax bills shall be computed at 50% of the total of each tax bill for the preceding year. If, prior to the preparation of the estimated tax bills, a certificate of error has been either approved by a court on or before November 30 of the preceding year or certified pursuant to Section 14-15 on or before November 30 of the preceding year, then the first installment of taxes on the estimated tax bills shall be computed at 50% of the total taxes for the preceding year as corrected by the certificate of error. By June 30 annually, actual tax bills shall be prepared and mailed. These bills shall set out total taxes due and the amount of estimated taxes billed in the first installment, and shall state the balance of taxes due for that year as represented by the sum derived from subtracting the amount of the first installment from the total taxes due for that year.

The county board may provide by ordinance, in counties with 3,000,000 or more inhabitants, for taxes to be paid in 4 installments. For the levy year for which the ordinance is first effective and each subsequent year, estimated tax bills setting out the first, second, and third installment of taxes for the preceding year, payable in that year, shall be prepared and mailed not later than the date specified by ordinance. Each installment on estimated tax bills shall be computed at 25% of the total of each tax bill for the preceding year. By the date specified in the ordinance, actual tax bills shall be prepared and mailed. These bills shall set out total taxes due and the amount of estimated taxes billed in the first, second, and third installments and shall state the balance of taxes due for that year as represented by the sum derived from subtracting the amount of the estimated installments from the total taxes due for that year.

(6) prior to the tax sale a voluntary or involuntary petition has been filed by or against the legal or beneficial owner of the property requesting relief under the provisions of 11 U.S.C. Chapter 7, 11, 12, or 13, ~~or~~

WHEREAS, The organizations' efforts, funded primarily through the Ryan White CARE Act, will be jeopardized; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FOURTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we urge the Congress of the United States of America to reauthorize the Ryan White CARE Act this year in its current format, with its current language, and with its current funding under local control for supportive services such as legal assistance, housing support, and food; and be it further

WHEREAS, The United States is a nation of immigrants from around the world, with a wide diversity of cultures and faiths; and

WHEREAS, Every faith tradition has a basic tenet that its followers contribute to charity to aid the poor and sick; and

WHEREAS, One of the five pillars of Islam is the principle of Zakat, commanding Muslims to give to charity; and

WHEREAS, Muslims also follow the principle of Sadaqa, which asks that they give voluntarily to charity; and

WHEREAS, Devout Muslims comply with this principle by giving to charities that provide educational, medical, and other humanitarian assistance; and

WHEREAS, The civil rights and liberties of American Muslims and the operational intent of Muslim charitable organizations have come under intense governmental scrutiny since the 9-11 terrorist attacks; several charitable organizations based in Illinois have been targeted for investigation and prosecution based on alleged ties to terrorist activity; during the course of these investigations and prosecutions, the federal government has frozen the assets of these organizations, which total in the millions of dollars; and

WHEREAS, Good-faith and legitimate contributions made to these organizations by devout Muslims have gone unused for charitable purposes, contrary to the intentions of the contributors; and

WHEREAS, American Muslim contributors have become increasingly concerned not only that their contributions will go unused, but that past contributions may be used against them retroactively in criminal or immigration prosecutions if the specific charitable organization in question is, in a future investigation, suspected of having ties to terrorist activity that the contributor was not aware of at the time of

contribution; and

WHEREAS, Congress is currently considering the REAL ID bill (HR 1268) which, among other provisions, would threaten immigrant contributors to charitable organizations with deportation ex post facto of a good faith contribution to a charity that was in good standing at the time of contribution; and

WHEREAS, Americans giving charity to Muslim charities need assurance that the charitable contributions they make in good faith to charities in good standing will indeed go to humanitarian purposes and will not give rise to potential retroactive criminal or immigration prosecution; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FOURTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we urge the U.S. Department of Treasury, U.S. Department of Justice, and U.S. Department of Homeland Security to develop a list of charitable organizations, including Muslim charitable organizations, that provide international relief and are safe for Americans of all ethnic and faith backgrounds to contribute to without fear of personal prosecution and with assurance that their contributions will indeed be used for their intended charitable purposes; and be it further

RESOLVED, That a copy of this resolution be sent to the U.S. Department of Treasury, U.S. Department of Justice, U.S. Department of Homeland Security, and every member of the Illinois Congressional Delegation.

needed to restore security and prevent further mass deaths; more effective measures are also needed to preserve and implement the peace deal that was signed on January 9, 2005, to end the long war between the government and the Sudan People's Liberation Army/Movement (SPLM); proactive measures are still needed to forestall the outbreak of a serious new civil conflict in the eastern part of the country; and
